

TEN “NEVERS” OF MARRIED LIFE

- Never speak loudly to one another unless the house is on fire.**
- Never neglect one another.**
- Never part for the day without loving words to think on during your absence.**
- Never meet without a loving reception.**
- Never let the sun go down on your anger or grievances.**
- Never forget the happy hours of early love.**
- Never sigh over what might have been, but make the best of what is now.**
- Never forget that marriage is ordained of God.**
- Never be content till you know that you are both walking in the narrow way.**
- Never let your hopes stop short of an eternal home.~**
